Some of the business places in Valley City sent out this: "Owing to the high cost of doing business at the present time, and that double the amount of capital is necessary to conduct same, on and after July 1, I will

conduct my store on a cash basis, continuing to deliver goods purchased to all parts of Valley City. Thanking you kindly for past patronage, and humbly soliciting same in the future, we remain." This should be the motto of all business places, and then the high cost of living would be much cheaper to all.

"Buying at home helps build up a community, and true citizenship consists in buying at home." The man who sings "America" the loudest and then buys out of town what he could just as well buy at home, has the wrong conception of "My Country 'Tis of Thee."

Buy Your Floor Coverings Now and Save

In Many Instances Present Wholesale Prices on Rugs, Carpets and Linoleums Are Much Higher Than We Are Asking

Only as long as present stocks last can we sell floor coverings at these prices.

Many of those we now have on hand were purchased nearly a year ago and our present retail prices are based accordingly.

A telegram received from a mill offered Linoleum at \$1.64 per yard.

Just an example of rising prices, and Yeager's savings.

July and August will see these advances on linoleums, rugs and carpets—\$82.50 rugs will be \$90, \$50 rugs will have to sell at \$60—another example of rising costs and something over which we have no control.

We have several carloads of linoleums, thousands of yards of carpets and thousands of rugs, large and small, at 20 per cent. to 33 1-3 per cent. less than they will cost you later.

9x12 Tapestry Rugs, \$18.50 Values, \$13.50.

9x12 Axminster Rugs, \$28.50 Values, \$22.95.

9x12 Body Brussels Rugs, \$42.50 Values, \$33.95.

9x12 Wilton Rugs, \$82.50 Values, \$67.50.

9x12 Wilton Rugs, \$55 Values, \$47.50.

9x12 Wilton Rugs, \$50 Values, \$39.50.

These values are comparisons on present market quotations.

Carpets and linoleums are marked with savings in proportion to those on rugs. (Third Floor—Yeager's)
